DEPUTY [redacted] #[redacted]
SAFE STREETS BUREAU

On October 15, 2006 at approximately 2245 hours, the Compton OSS team executed a search warrant at [redacted] N. Spring Avenue, Compton to arrest Suspect Jimenez for a parolee at large warrant. After the knock and notice announcement there was no response. The deputies began to pry open the outer security door to the house. At that time, a female resident, later identified as [redacted] the [redacted] of the suspect, opened the inner door.

Ms. [redacted] told the deputies Suspect Jimenez was home and that he coming to the door. She was then pushed out the door by Suspect Jimenez and he then slammed the inner door shut. As he did so, Deputy Torres kicked the door to prevent it from closing, but his foot kicked out the bottom right panel of the door and the remainder of the door closed. After he pulled his foot from the door, Deputy Risiglione kicked the door and it was forced open.

As the door opened Suspect Jimenez fired 10 - 13 rounds from an Intratec 9mm pistol through the wall at the deputies. As the deputies began to retreat from the location, Deputy Clark stepped on the ram he dropped when the gunfire began, and fell down. Deputies Torres and Carillo also fell down as Suspect Jimenez fired at them.

Deputies grabbed Ms. [redacted] and Deputy Clark and began to retreat. While making their retreat from the door, Deputies Risiglione and [redacted] thought Deputis Clark, Carrillo, and Torres had been shot and that Suspect Jimenez would continue to shoot more deputies. Fearing for their lives, Deputy Risiglione fired two rounds from his 9mm Beretta and Deputy [redacted] fired three rounds from his H&K 45 caliber pistol at Suspect Jimenez. The team retreated to a predesignated rally point, contained the location, and SEB was contacted and responded. Ultimately, personnel from SEB made entry into the location and Suspect Jimenez was taken into custody.

After his arrest, Suspect Jimenez was transported to Saint Francis Hospital where he was treated for lacerations and abrasions to his face, which he sustained when the bathroom door struck him. These injuries were sustained when personnel from SEB breached the bathroom door with detonation cord. Suspect Jimenez was not struck by gunfire during the shooting incident. He was approved for booking and transported to Century Regional Detention Facility.

Deputy Clark was transported to Saint Francis Hospital where he was treated and released for a minor back injury.

On February 22, 2207 the Executive Force Review Committee convened and conducted a review regarding the facts of this case. The applicable policies that were evaluated by the committee were: MMP §§ 3-01/025.00, Use of Force; 3-01/025.30, Use of Firearms and Deadly Force; 3-01/025.10, Unreasonable Force; and 3-01/050.10, Performance to Standards.

NATURE OF
INCIDENT: On Sunday, October 15, 2006, at approximately 2345 hours, Sergeants Jack Ramirez, David Stunson and Lieutenant Don Slawson of the Internal Affairs Bureau responded to Compton Station, regarding a Deputy Involved No Hit Shooting involving two deputies assigned to the [redacted]

The summary of this incident is based on information obtained from interviews of the involved employees by Compton O.S.S. Investigators, as well as Internal Affairs Bureau interviews of the deputies, and reports prepared by the deputies.

On October 11, 2006, Deputies Benjamin Torres and Robert Risiglione were involved in a pursuit of a suspected reckless drunk driver in the city of Compton. After approximately 4 minutes, the on-duty watch commander, Lieutenant Patrick Davoren, cancelled the pursuit. However, in that time frame the two deputies obtained the license plate of the vehicle and made visual observation of the suspect's face. Subsequent follow-up investigation led the deputies to identify the suspect as Jesus Jimenez. It was also discovered that Suspect Jimenez was a known gang member and a parolee at large. A search warrant was obtained for Suspect Jimenez' residence.

On October 15, 2006, at approximately 2245 hours, the Compton O.S.S. team went to [redacted] North Spring Avenue to execute the search warrant and arrest Suspect Jimenez for the parolee at large warrant. Upon their arrival, Sergeant Thompson activated his voice recorder and the deputies approached the residence. After making knock and notice and receiving no response the deputies pried open the outer security door. At that time, a female resident, later identified as [redacted] the [redacted] of the suspect opened the inner door.

COMPLETED BY: Sergeant Jack Ramirez, Internal Affairs Bureau
DATE: January 22, 2007

the deputies again identified themselves and asked if Suspect Jimenez was at the location. Ms. [redacted] said he was home and coming to the door. She was then asked to exit the location. About that time, she was pushed out the door of the location by Suspect Jimenez, who then slammed the inner door shut. As he did so, Deputy Torres kicked the door to prevent it from closing. His foot kicked out the bottom right panel of the door and the remainder of the door closed. After he pulled his foot from the door, Deputy Risiglione kicked the door with his foot and the door was forced open.

As the door opened, Suspect Jimenez began firing an Intratec 9mm pistol through the wall at the deputies. As the deputies began to retreat from the location, Deputy John Clark injured his back and fell. The deputies then grabbed Ms. [redacted] and Deputy Clark and began to retreat. While making their retreat from the door, Deputy Risiglione fired two rounds from his 9mm Beretta and Deputy [redacted] fired three rounds from his H & K 45 caliber pistol. No rounds struck the suspect. The deputies then met at their rally point, contained the location, and SEB was contacted and responded. Ultimately, personnel from SEB made entry into the location and Suspect Jimenez was taken into custody.

Deputy Clark was transported to Saint Francis Hospital where he was treated and released for a minor back injury. After his arrest, Suspect Jimenez was transported to Saint Francis Hospital where he was treated by Dr. Kazan for lacerations and abrasions to his face, which he sustained when the bathroom door struck him. These injuries were sustained when personnel from SEB breached the bathroom door with detonation cord. He was approved for booking and transported to Century Regional Detention Facility.

INVOLVED DEPUTY (S) STATEMENTS:

Deputy Robert Risiglione, #[redacted] was interviewed by Sergeants Jack Ramirez and Dave Stunson of Internal Affairs Bureau on November 28, 2006. These interviews are summarized as follows:

Deputy Risiglione said he and other members of the Compton O.S.S. team were serving a search warrant at the location. He said they had an arrest warrant for Jesus Jimenez. He said Deputy Benjamin Torres, assigned to the number one position, knocked on the security door of the location and announced that they were the Sheriff's Department and they had a search warrant for the location. Deputy Risiglione, assigned to the number two position, said he could hear a female voice coming from inside, later determined to be the suspects [redacted] The female was telling someone by the name of Jessie, Suspect Jimenez, to let them in, just let them in. Deputy Risiglione said Moments after that a female came to the front door and opened the metal security door for them. She was suddenly pushed outside the door and the wooden door closed behind her.

He said Deputy Torres attempted to kick the wooden front door but was only able to kick out a wooden panel of the door. Deputy Risiglione said he then came forward and kicked the front door open, this would allow the team to make entry. As he kicked the door open, he stepped back and directed Suspect Jesus Jimenez to come outside. Suddenly he heard 10-12 gun shots coming from the inside of the house. He said he could see muzzle flash coming from inside of the residence as the suspect fired his weapon. Deputy Risiglione said he immediately dropped down and took cover to the west side of the wooden door. He said he could see Suspect Jimenez firing his gun from inside of the location.

Deputy Risiglione said he saw Deputies Torres and Clark go down to the ground. He said he thought that they had been shot. He said there was debris flying all over the place from the suspects rounds striking the front wooden door. Fearing for his life and the lives of his team members, he fired two rounds from his Department issued .9mm Beretta pistol. As he fired at the suspect, the suspect stopped firing his weapon. When the suspect stopped firing his weapon, he retreated back to the designated rally point.

Deputy Risiglione said Sergeant Thompson kept a cover position in the event the suspect decided to engage them again. He said as he was responding to the rally point, he heard three more gun shots. He was unable to say who had fired those three gun shots.

IAB Note: Refer to Exhibit B, for a copy of Risiglione's Supplementary report documenting his actions and observations, under the file #006-17761-2821-055. Deputy Torres conducted a briefing at the Compton Station prior to the service of the search warrant. He assigned tactical positions for each deputy involved in the operation. During this briefing, personnel discussed in the event the location went hot, where the designated rally point would be. In this case it was the driveway of the location S/W portion of the building. Deputy Carrillo was assigned to the hot radio, he was to request assistance on the working frequency dispatch 9, other members of the team were on a tactical frequency which allowed them to communicate between team members. It was also discussed that if a team member went down, members behind that individual would come forward and rescue that man. Members in front would lay down cover fire to keep the suspect (s) at bay. The injured Deputy would be taken to the rally point and then transported to the designated hospital. They would then contain the location, pending the arrival of SEB. All tactical issues were discussed and understood prior to the service of the search warrant.

Deputy [redacted] # [redacted] Was interviewed by Sergeants Jack Ramirez and Dave Stunson of the Internal affairs Bureau on November 28, 2006.

Deputy [redacted] said he was assigned to assist the [redacted] with the service of a search warrant at the location. He said he was assigned to the number six or seven position on the entry team. His primary function was prisoner security.

He said Deputy Torres did the knock and notice and he took a position at the southwest corner of the building.
